- The Holy Spirit hovered over chaos to bring order. Ask Holy Spirit to hover over your chaos.
- God knows what you need. He is waiting for you to **ask** for his intervention.
- If He brought you to it, He will bring you through it.
- Signs and wonders *follow* those who believe. Keep believing. Don't back up. You are at the threshold.
- When a beehive has too much honey, there is no place to multiply with more eggs. When you have too much, you cannot thrive.

Declarations:

I have a holy invitation from Heaven. A summons from God to pray with authority, decrees with boldness, prophesy with fire, and resurrect destinies by the breath of the Spirit. I am standing in a supernatural season where God is not just asking me to believe—He is calling me to speak. My mouth becomes a weapon, a birthing womb, and produces signs and wonders.
