Marcia Chang Vogl/Bethany Projects

Tuesday, January 13, 2026, Mentoring

- Come in and dance into the light
- A Kingdom Sound is being released to break the Enemy's sound
- You were created to live in the glory of the Lord.
- This week, find your stance to plant your feet.
- Tell Pharaoh, "I will go to worship the Lord." (Pharaoh is anything that keeps you from worship.)
- We are the Body of Christ. We are coming out!
    - We are pulling down heaven and shifting the earth.

Coming Through With New Hope

1. God dwells in an unfractured state. You can access everything He put in you.
2. Supernatural healing: The supernatural MRI will show you where you were leaking faith.
3. In the next 3 years, I am reordering your steps and changing your assignment.
4. The Corporate shield of *faith* and the corporate breastplate of *righteousness* must fit together. We need each other.
    a. There is a greater glory coming. Watch The Body (Church) transform.
5. You cannot grab hold of the new while hanging on to something old you don't need.
6. At the point of your spiritual rebirth (Accept Jesus), Satan enters to break your cycle of life.
    a. God unlocks your destination. Hope is your expectation of the future.
    b. Hope motivates you to live even in the face of trouble.
    c. Let go of the old and grab the rope that He is extending to you.
    d. Satan wants you to think you have no hope. "Too old, too weak, too late,"
7. Hope is a confident expectation in GOD'S future faithfulness and Presence.
8. You must know His presence to know when He is throwing the rope.
9. He is capable of pulling you through the door. Demons are real.
10. These are on your path:
    a. Healthy living
    b. Financial security
    c. Strong families
    d. Educational development
    e. Eternal Life.
11. Your Discipleship will be tested. You can be a disciple if Jesus is #1.
12. When you feel his presence, grab hold of Him. When His presence is not there, leave.
13. Release attachments:
    a. Overcome a past hurt or trauma.
    b. Remove a negative influence.
    c. Reform an outgrown identity.
    d. Break Rigid Expectations. (how your family should be, how friends should act)
    e. Fulfill an unsatisfied emotional need.

14. You need to move forward when:
    a. You cannot experience joy.
    b. Your emotions feel blocked, and you feel entrapped.
    c. Your peace feels unsettled.
    d. Anxious thoughts create petty fears.
    e. Know something is missing, but don't know what.
    f. You are at the end of a growth cycle.
    g. You begin to recognize routine and waning purpose.

15. Feeling comes *after* faith, not before.

16. Embrace the Process of Change
    a. Release the emotional weight through forgiving.
    b. Create some space so you can see differently.
    c. Shift your focus from internal to external, and have less need for validation.
    d. Build a resilient spirit, transform your mind.
    e. Seek self-discovery. Give yourself space to change, and others to change.
    f. Be still and **listen**
    g. Start shedding your last identity. Be honest.

17. Agree with God's sign. Ask for signs.

18. Speak up to the Enemy.

19. Keep going!
    a. Abraham: God can break through to you. Let Him.
    b. David: Some small task will open up a new path.
    c. Ruth: Be divinely connected. Stay connected until you get a new mantle.
    d. Andrew & Philip: Hear new authority. Follow something greater than you.
    e. Peter: Your mistakes can propel you into your future.

20. Let Go! Grab hold!

Let Hope pull you into the next phase.
